KIVIAT AND SMITH DECLARED PROFESSIONALS BY A. A. U. AND BARRED FROM AMATEUR SPORT

Noted Runners Found Guilty of Demanding Excessive Expense Money.

GISSING AND VALENTINE MENTIONED AT INQUIRY

Abel R. Kiviat, former mile champion and the holder of the world's record for 1.500 meters, and Harry J. Smith, former ten mile and two mile champion of America, were declared last night ineligible for further competition as amateurs and their registration cards as competing athletes were cancelled.

This action was taken by the registre tion committee of the Metropolitan Association of the A. A. U. at an adjourned meeting for investigation of charges preferred against the runner for demanding excessive expense money to compete in the games of the Easter New York Athletic League at Schened tady on September 18 last.

The committee acted last night with the relentless persistency of a steam roller and crushed out the athletic activities of two men who were members of the last Olympic team without compunc-tion. The legal talent which had been the feature of the first hearing a weel the feature of the first hearing a work ago was conspicuous by its absence last night when the committee convened in the clubhouse of the American Express Company Employees Association, at 67 Madison avenue. Neither Kiviat nor Smith put in an appearance, and after Smith put in an appearance, and after the testimony of the principal witness the testimony of the principal witness under way. Congressman Murray Was under way, Congressman Murray Hulbert appeared to make a protest against the hearing without the attend-ance of John T. Dooling, the principal counsel for the defence. When the com-mittee decided to go ahead with the investigation, Mr. Hulbert withdrew and

C., and John Conway, secretary of that club, entered the room where the meeting was held. They made no formal protest to the committee, but Mr. Farley stated that the accused men had every right to an adjournment, and Mr. Conway said that in all probability the position of the Irish American A. C., of which club Kiviat is captain, would be made clear in a statement to be issued to-day.

Roscoe C. SOCCER NO MAJOR SPORT

CAMBRIDGE, Mass., Oct. 21 .- The Harvard athletic committee announced late

and conference with the Yale and Princeton athletic authorities, Don J. Wallace, last year's varsity centre rush, had been declared eligible to play with the university team this fall. Wallace came to Cambridge from the University of Southern California three years ago, and while on the coast played soccer football for his university.

The Harvard Athletic Association contends that playing soccer, which is considered a minor sport, should not make Wallace ineligible to play three years of football at Cambridge. The committee decided that according to the Harvard rules Wallace was eligible, but put the matter up to Yale and Princeton. The Tigers several days ago sent word that Wallace was regarded as eligible to play against them and to-night word to the same effect was received from those in authority at New Haven.

Wallace has been keeping in trim all fall and is ready to get into the Harvard rules word to the same effect was received from those in authority at New Haven.
